Re: U.S.A. v Richard Mohammed - 06 Cr. 409

Dear Magistrate Fox:

I request that I be relieved as counsel for Richard Mohammed because Mr. Mohammed is without funds to pay legal fees with regard to the above matter. I respectfully request that CJA counsel be assigned to represent him in this violation of supervised release matter.

Mr. Mohammed never completed his retainer agreement with me because of financial hardship. Nonetheless, I continued with his case to make sure that he was competently represented at his plea and sentence. However, this new violation of supervised release poses an additional hardship.

Additionally, on June 23, 2008, I am required to appear in the matter of the People v Anthony Matos, Docket No. 2008QN033363, Criminal Court, Queens County. This matter is a Gang Assault/Homicide case that is scheduled to be presented to a grand jury on June 23, 2008. This defendant is incarcerated and has served written notice to testify in that grand jury proceeding.

Wherefore, I respectfully request that CJA counsel be appointed to Mr. Mohammed.
